To whom do you wish to address your question(s) – select one:

Scott Hassler _____ Susanne Hassler _____

Please list briefly what you would like to discuss. For example, would you like a second opinion? Is there something specific on which you would like feedback?

Here are some helpful guidelines and suggestions:

- Please remember to be brief in your questions.
- The video that you are submitting should be between 10-15 minutes and not longer than 20 minutes in length.
- Your video should show/demonstrate the specific areas that you have questions on.
- Please remember that your conversation is scheduled for 20 minutes in length. We encourage you to be specific in your question, as this will allow Scott or Susanne the opportunity to fully answer your questions within that time.

- If your question is about your riding, it may be appropriate to show yourself on more than one horse.
- If you have a training question, please make your video as current as possible.
- Please Note: We cannot return videos/DVDs! Please Do Not send your only copy!

To help you further, here are examples of questions that we have received:

1. Do you think I could do the FEI young horse classes with this 5-year-old horse?
2. I'd like feedback on whether I should take this youngster (yearling filly) out to breed shows this spring.
3. When I am preparing my young stallion for the free jumping he jumps diagonally. I would like some feedback and suggestions on what I can do.
4. I am looking for feedback on my stallion prospect. I have a specific concern, (he wings out slightly on the left front) that I want your opinion on.
5. I am schooling the FEI work and would like suggestions on how to improve my horse in the Piaffe and Passage.
6. My youngster is in a very awkward growing stage and I would like to get some feedback on his growth & nutrition.
7. My mare is going under saddle but I would like your opinion on whether I should continue to ride her or if I should breed her.
8. How can I improve my seat in the sitting trot?
9. Is this horse ready to show 2nd Level?
10. My horse is heavy in the right rein. Do you have any suggestions?
